VETTING OF OIL SPILL CONTINGENCY PLAN (OSCP)

1. Oil Spill Contingency Plan (OSCP) of M/s MRPL, Mangalore has been scrutinized by the Committee constituted for vetting of OSCP of OHAs. The Committee has vetted OSCP with following recommendations:-

- (a) **Trained workforce.** OPRC IMO Level-1/2/3 qualified workforce is to be maintained as enumerated vide NOSDCP.
- (b) **PR Equipment.** PR equipment as mandated by the NOSDCP Circular 04/2024 is to be maintained including periodical maintenance is to be ensured.
- (c) **Weather Data.** The local weather data in vicinity of facility may be updated during revision of the plan.
- (d) **ESI Mapping.** Periodical updation of ESI mapping data may be undertaken.

2. In view of the above, OSCP of M/s MRPL, Mangalore is vetted for a period of 05 years w.e.f. 22Oct 24.

3. It is requested that the plan be reviewed periodically and kept updated. Further, the updated plan may be submitted for re-vetting prior completion of 05 years.
