Public Participation in Promoting Integrity & Eradicating Corruption

Corruption has become one of the big factors of obstructing the development of individuals and our country.

YES...

CAN CORRUPTION BE REMOVED FROM INDIA?

The Computer was introduced in 1987 and the name 'Anti-Corruption' is the Computer of the Computer.

WELCOME TO MANHALORS

No cash? No problem - I Take credit cards!

God! Please forgive my sins. They don't know what they are doing...

CROSS OF CORRUPTION

REMEMBER TO UPROOT IT AS WELL OR ELSE IT WILL GROW AGAIN!

SAY NO TO CORRUPTION

REALLY HONEST PERSON WILL NOT CLOSE HIS EYES TO CORRUPTION
CLOSE HIS EARS TO COMPLAINTS
KEEP QUIET ABOUT CORRUPTION

Be a partner of India against corruption.

Country without corruption is perfect for its citizens!

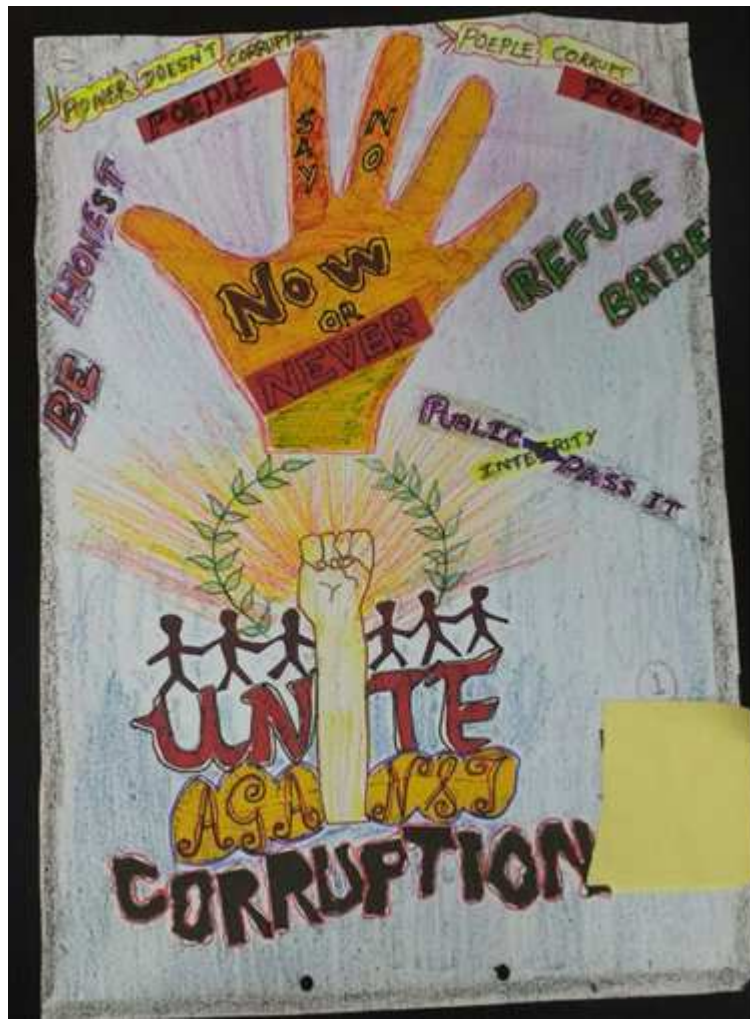

Just be honest & raise voice against corruption.

Corruption is spreading like pollution and causing destruction!

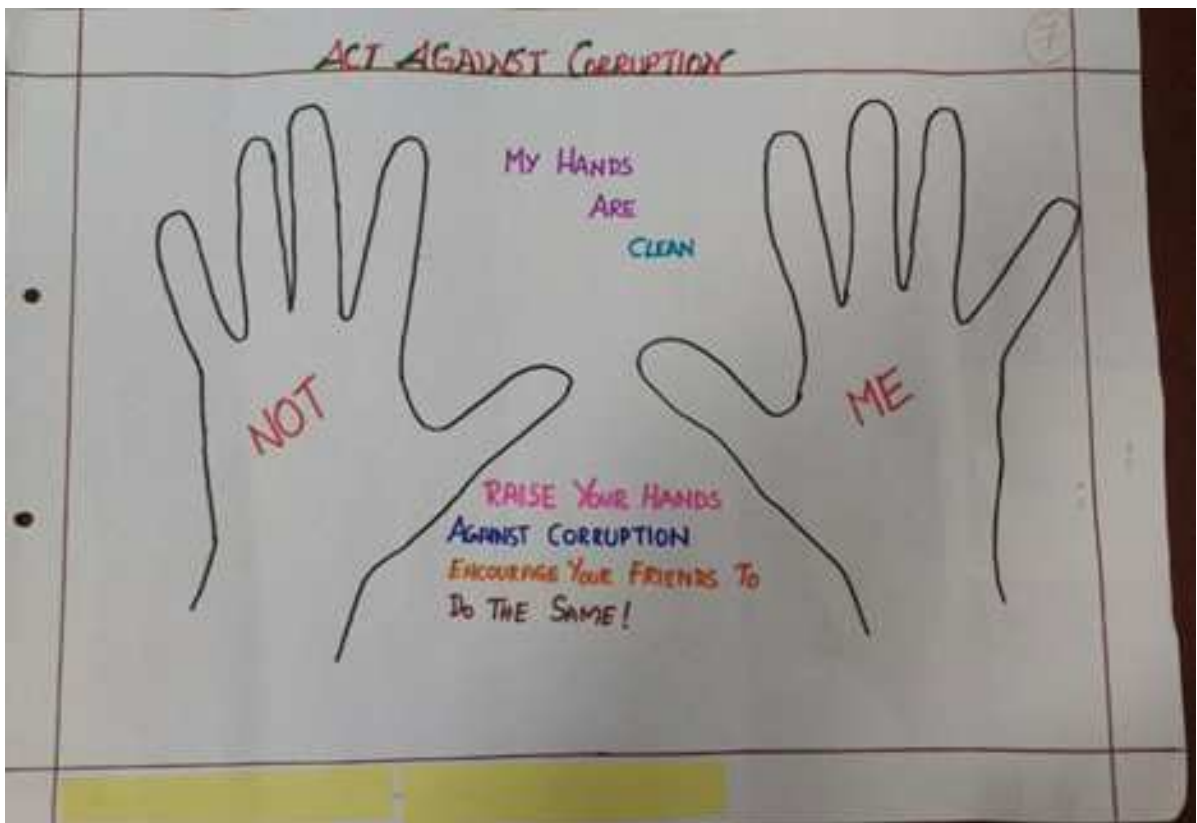

Corruption is not fair, oppose it always!

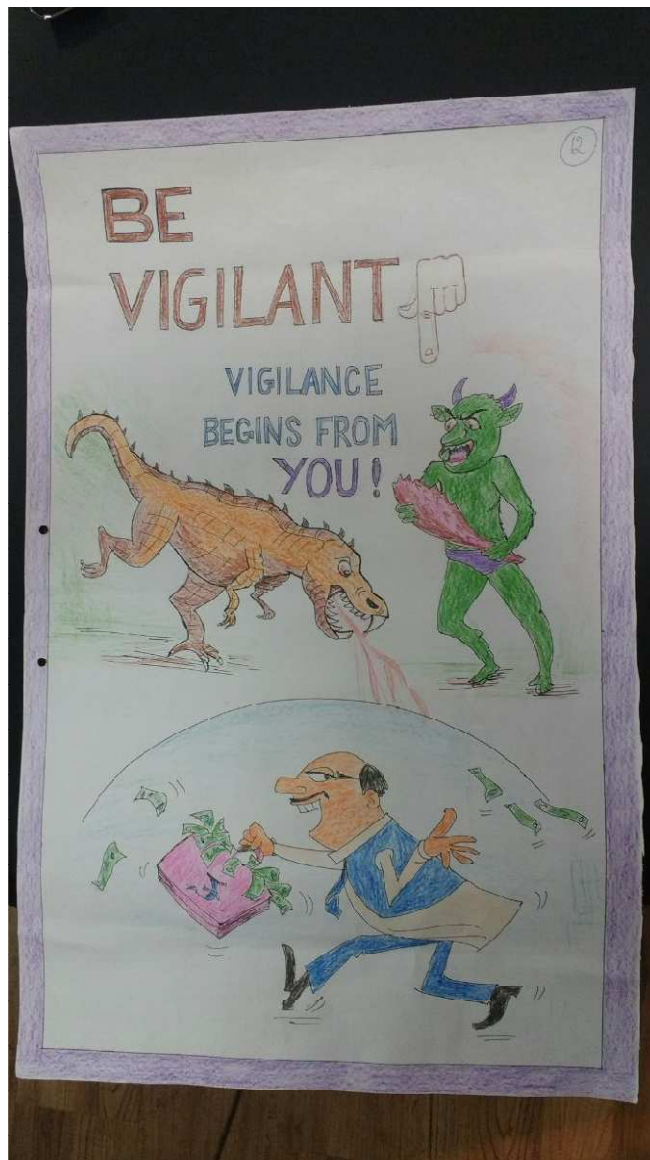

Corruption is destroying us. It needs to be taken out.

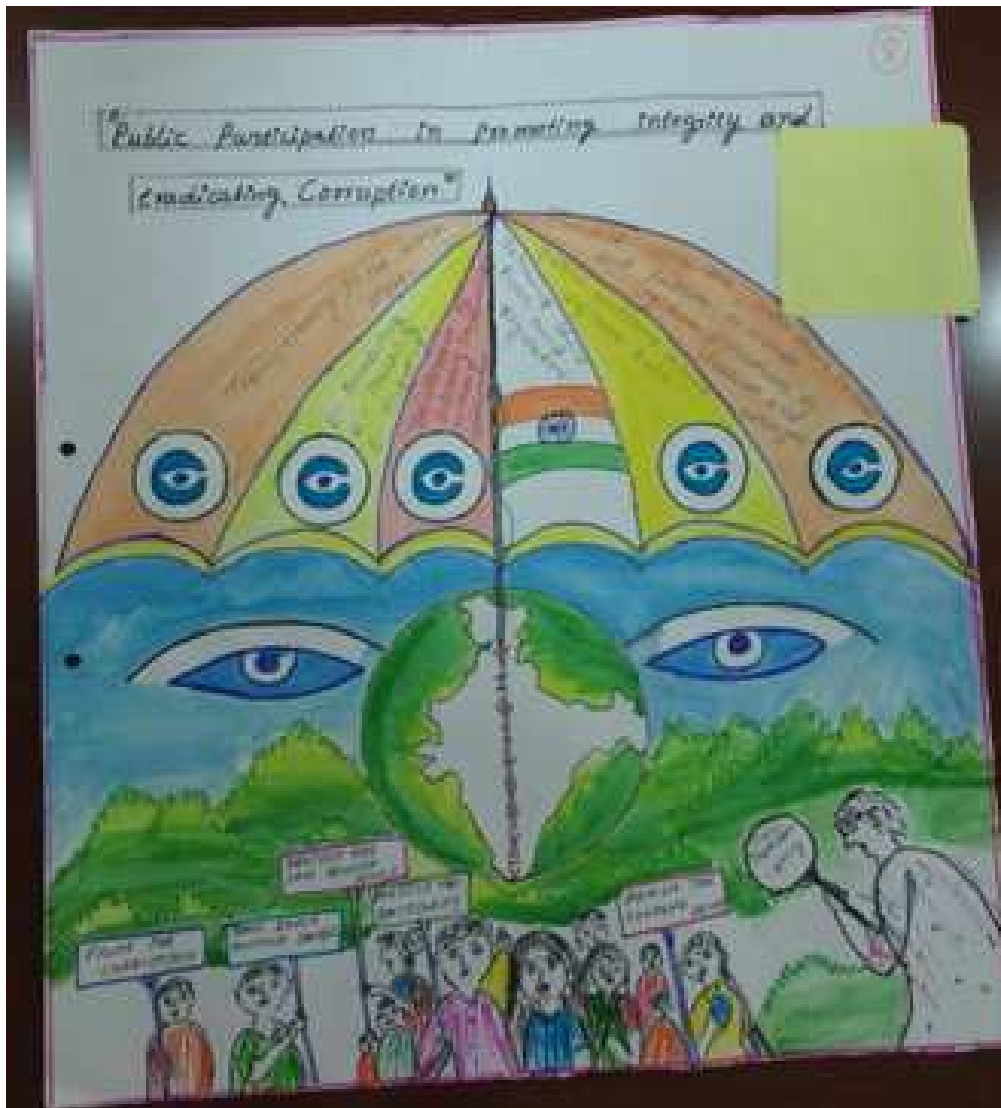

Vigilance team with GM-I/c HR
